

The Ultimate Checklist: Preparing Your Home for a New Kitten by meowoff.us

Download and print this checklist to ensure your home is safe, welcoming, and ready for your new kitten.

Kitten-Proofing Your Home

- 1. Identify potential hazards:**
 - Electrical cords (use cord protectors or hide them)
 - Remove poisonous plants
 - Keep small objects out of reach
- 2. Secure your home:**
 - Check window screens for sturdiness
 - Add safety latches to doors and windows
 - Secure balconies
- 3. Create a safe space:**
 - Designate a kitten-safe area
 - Include high and low hiding spots

Essential Supplies for Your New Kitten

- 1. Food and water:**
 - Kitten food
 - Shallow water bowl
 - Establish a feeding schedule
- 2. Bedding and comfort:**
 - Cozy bed
 - Soft blankets
 - Variety of toys
- 3. Litter box and cleaning supplies:**
 - Litter box
 - Kitten-friendly litter
 - Scooper
- 4. Grooming and healthcare:**
 - Brushes
 - Nail clippers
 - Flea prevention (consult your veterinarian)

Introducing Your Kitten to Their New Home

- 1. Gradual introduction:**
 - Start in a small room
 - Allow exploration and gradual access to other areas
- 2. Socialization:**
 - Introduce to family members slowly and calmly
 - Introduce to other pets with supervision
- 3. Establishing routines:**
 - Create routines for feeding, playtime, and sleep

With this checklist in hand, you're ready to create a safe and comfortable environment for your new kitten. Share your kitten preparation journey on social media using the hashtag #KittenReadyHome and show off your kitten-ready space!
